

Dear THINKER,

We would like to invite you to join us at our Conference „**Forecasting Near Future Cyber Threats and Possible Mitigation Strategies for Critical Infrastructure Providers**“ on 12 May 2021.

Check the preliminary agenda and register for the conference here.

To collect valuable inputs and ideas for the conference we would like to invite you to join our online strategy group discussion on **weTHINK. European Cyber Security Network**:

- Allowing you to share your ideas, insights and suggest improvements to the **cyber security across Europe**.
- Providing a discussion group to engage and interact directly with multiple actors from the cyber security sector from all across Europe.
- Offering the possibility to create your own strategy projects and engage **weTHINK's network** in developing strategies together.
- Join us now on **weTHINK.eu** and contribute to the most interesting strategy discussions in Europe.

If you have any questions, contact us directly at ingo.mayrknoch@wethink.eu

What is **weTHINK. European Cyber Security Network**?

Who do we bring together?

- **weTHINK. European Cyber Security Network** brings together all key cyber security actors (government agencies, critical infrastructure providers, companies, banks, ministries, industry associations, cyber security companies, NGOs) from Europe.

How do we bring them together?

- Through closed groups on the online crowd knowledge platform - **weTHINK.eu**.
- Through **online meetings** and a yearly online conference.

Why do we bring them together?

- **To regularly exchange information** and best practices on cyber threats and mitigation strategies and tactics.
- **To analyze and forecast** future cyber threats.
- **To develop mitigation** strategies and tactics.
- **To simulate threat strategies** and tactics and mitigation strategies using online cyber ranges.
- **To facilitate cooperation** between all key actors in Europe to develop joint projects to improve cyber security.
- **To help companies** and municipalities to prepare for near future cyber threats.
- **To strengthen the position** of European societies and companies.

Please let us know when you would be available for an online (Zoom) meeting in order to discuss your participation.
